**A COMPANY MADE WITH PASSION**

---

Established 2022, Portsmouth, RI

The inspiration for this website stemmed from my son **Milton Tzouvaras**' favorite childhood hobby: trading cards. His hobby began several years ago when he began collecting and trading his sports and Pokemon cards in his backyard with local friends. He soon wished for more people to trade his cards with. Card Trade USA provides a solution to this problem for those interested in trading cards.

Card Trade USA provides more opportunities for people in The US & Canada to trade cards from the ease of their homes. We offer a large selection of sports cards from the country's most popular sports teams, as well as Pokemon cards. Also popular brands such as Topps, Panini, and Donruss.

If you are interested in collecting and trading sports and/or Pokemon cards with a broader group of people, this is the website for you.

**ALLOW YOUR PASSION TO BECOME YOUR PURPOSE, AND IT WILL ONE DAY BECOME YOUR PROFESSION.**

# PATENTED (PENDING) TECHNOLOGY

We are the first company to devise this system to trade any collectible item between two people from the comfort of their homes. To stay on top of this niche market and protect our system from being copied or duplicated we have applied for a patent with United States Patent and Trademark Office (USPTO), the details are as below:

eFiled Application Information	
Application Number	63390878
Title	SYSTEM AND METHOD FOR MANAGING TRADING OF ITEMS
First Named Inventor	Andreas Tzouvaras
Receipt Date	20-JUL-2022
Application Type	Provisional

This Acknowledgement Receipt evidences receipt on the noted date by the USPTO of the indicated documents, characterized by the applicant, and including page counts, where applicable. It serves as evidence of receipt similar to a Post Card, as described in MPEP 503.

If a timely submission to enter the national stage of an international application is compliant with the conditions of 35 U.S.C. 371 and other applicable requirements a Form PCT/DO/EO/903 indicating acceptance of the application as a national stage submission under 35 U.S.C. 371 will be issued in addition to the Filing Receipt, in due course.
